The 46th Annual Christmas Show

"Till We Meet Again"

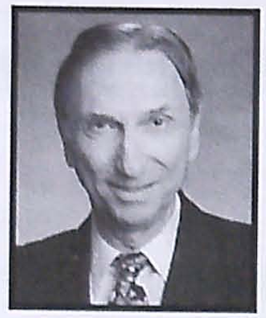

Memorial Auditorium
December 2 and 3, 1994

NEW! Our Medium... with More Zip!

IT'S GOOO-OD®

Greetings!

Welcome to the Thoroughbreds' 46th Annual Show!

We hope you enjoy this year's selections and performers. We welcome the PRIDE OF KENTUCKY Sweet Adelines, MARQUIS, International Medalists, and our own WAY OVER FORTY-FOUR, Cardinal District Seniors Champions.

As to the Music, it is never possible to fit in all your favorite types of music and themes. We do try, by presenting a variety of the old and new and for the countless requests, the Traditional Christmas Story. We hope we touch you with at least some of our numbers and we welcome your comments as always, through our "Surveys".

Our Show Producers and Directors listen to you our audiences and friends as we pursue our Mission Statement, fashioned by Director Hatton and all the Members which is "To make people happy through excellence in singing. To set standards of conduct and performance for society chapters. To exceed the expectations of every audience and of ourselves to the point it becomes legendary".

All the best for you and yours for the holidays and now - "Another Opening, Another Show!"

'Till we meet again,

John Markley

"She Has Seen Them All"

Mrs. Ruth Edrington, who will be attending this year's Saturday Matinee, has attended all 46 Thoroughbred Annual Shows.

The 83 year old Louisville resident almost missed the 1962 performance when she suffered a broken ankle. However, assisted by her husband, she arrived before the curtain went up in a wheelchair.

When asked why she keeps coming back for more, she quickly responded, "I like everything about Thoroughbred shows. I just enjoy the whole thing."

Thank you Ruth. We dedicate this year's show to you. With support like yours, the Thoroughbred Chorus has the desire to perform at least 46 more annual shows!

THE WAY OVER 40-FOUR

1993 Cardinal District Seniors Champions

The Way Over 40-Four consists of four long-time friends who have collectively been singing barbershop harmony for almost one hundred years. A few years ago they got together and found you don't have to be young, or handsome or especially talented to have fun singing in a quartet. All you need is a few traditional barbershop songs (or their versions) and the overwhelming desire to make a complete fool of yourself in front of lots of people.

So, sparing every expense, they bought their wardrobe, borrowed an old pitchpipe and set out to make folks happy.

"After all, " they said, "It's either this or back to the home!"

Director

Pride of Kentucky Chorus
Sweet Adelines International

A member of Sweet Adelines International since 1974, Debbie has served on East Central Region #4's Musical Staff for 16 years. Fifteen years ago, she won the Region #4 Novice Director Award while directing the *Lexington Chorus*, and she formerly was assistant director of *Falls of the Ohio*, *Kentuckiana* and *Derby City Choruses*. Debbie has directed *Pride of Kentucky Chorus* since its beginning in 1983, leading the chorus to a top five award in every contest, including two Regional Championships, in 1988 and 1991.

In her spare time, Debbie coaches quartets and choruses both in and out of Region #4, and currently is pursuing requirements for Master Director in Sweet Adelines International's Chorus Director Certification Program. For 17 years, she sang tenor with the four-time Regional Champion and six-time International Finalist Quartet *Harmony Highlights*, and currently sings with *Accent* quartet. In her other life, Debbie is employed by Sarcom, a new computer corporation located in Louisville.

368-SONG

Founded on 1 June 1983, Pride of Kentucky chartered on 9 January 1984. The chorus' Regional Competition credits are: 1984 (Fourth Honorable Mention), 1985 (Fourth Honorable Mention and Most Improved Chorus), 1986 (Fourth Honorable Mention), 1987 (Fifth Honorable Mention), 1988 (First Place), 1991 (First Place), 1993 (Third Place), 1994 (Second Place). International Competition credits are: at Miami Beach in 1989 (17th), and at Baltimore in 1992 (11th). We have performed for several community events including *They're Off Luncheon, Light Up Louisville,* and most recently at the Palace Theatre for South East Associated Ministries.

Marquis was formed in August of 1993 and brings a wealth of barbershop experience to the stage. The individual members of MARQUIS (Dale Fetick-Tenor; Randy Chisholm-Lead; Paul Gilman-Baritone; Jay Hawkins-Bass) have sung in many quartets over the past twenty years. Some of the quartets that Dale, Randy, Paul and Jay have sung with are: The Coalition, The Halton County Road Show, Act IV, Bustin' Loose, Uncle Sam's Music Revue, Last National Prank, The Class Notes, Ricochet, The Naturals, and the Interstate Rivals. During that time they have competed in over a dozen International contests, collectively earning 10 International Medals, including two Gold Medals, and most recently MARQUIS was awarded the bronze medal for fourth place at the 1994 Pittsburgh International Convention. MARQUIS won the Johnny Appleseed District Championship in October of this year. They look forward to the opportunity to entertain you with their rich Barbershop sound.

Postulates, Rules and Laws for New Board Members

by Tom McGorray

1. In every Barbershop Chapter, there will always be one person who knows what is going on. This person must be fired.
2. Every Board member lies, but it doesn't matter, since nobody listens.
3. Anything is possible if you don't know what you are talking about.
4. For every board action there is an equal and opposite criticism.
5. Never attribute to malice that which is adequately explained by stupidity.
6. A closed mouth gathers no feet.
7. Barbershoppers do not repeat themselves, barbershoppers merely repeat each other.
8. No matter where you go, there you are.
9. When the going gets tough, the tough, and everyone else leaves.
10. Remember, you are a member of the board, not the director of the bored.
11. Board members serve, "who only stand and wait".

History in the Making

The Thoroughbred Chorus can be traced back to 1945 when F.W. Drybrough, a Louisville businessman, invited a number of friends to his home to listen to a once popular style of music, barbershop harmony. This style of music was slowly being replaced by the swing era and big bands. The Louisville Chorus was conceived with a membership of 33 men and the membership soon grew into the hundreds.

The group split in 1958 with the majority of the members being interested in social affairs rather than musical excellence. The Thoroughbred Chorus was formed borrowing the name "Thoroughbred" from a quartet of that time.

The Chorus won their first regional competition in 1958 and are still undefeated in same. Since then, the Thoroughbreds have won a record seven International Championships and will travel to Miami Beach next July in hopes of number eight.

The Thoroughbreds have sung on national television, for President Bush, and toured the United States and Canada. The directors of the Chorus have included Bill Benner, Joe Wise, Jim Miller, Ken Buckner, Allen Hatton, John Zehnder, and are now under the direction of Ken Hatton.
